"THE BULLS"

Last Sunday saw the "Bulls" bring up a welcome "Double" after a disappointing display by the League against Kenwick the previous week.

The League team tackled the youthful Kalamunda side, and with a powerhouse display completely crushed them in the first half, scoring 9 goals, whilst holding them to a score of one point.

After half time, however, the standard of the game dropped right away, but credit must go to Kalamunda for the way they fought it out to the end and they proved a very hard team to score against in the second half.

Congratulations to Jim Butler who kicked 9 goals in the first half, and in so doing broke the League record of 106 goals in a season, a truly great performance considering Jake has not played at full forward all season and only played the first half in that position on Sunday. Let's hope he kicks his 150th in the Grand Final this year.

In a very even display Best Players were:—

ALF WOOD
COLIN MARSHALL
EDDIE MADIGAN
IAN SAUNDERS
ROSS PALMER
JIM COMINELLI
BRIAN GODERIDGE
JIM BUTLER (First Half)

The Seconds completely annihilated Kalamunda, scoring 32 goals to one. In a game highlighted by accurate kicking for goals, the "Bulls" combined together as a very intelligent effective unit and showed just why they are on top of the Premiership ladder.

In what was truly a team effort, players to stand out were: Terry Richardson (who relished the change into the forward line); Russel Jarvis, Tony Hyman, Peter Johnson.

TOPICAL TAPS

Congratulations to Stan and Lyn Brice on the arrival of their second daughter, and to Ross and Cheryl May

on the arrival of their second son.

Our President once again attempted to tame the "Rapids" of the Avon River, in the Avon Descent, and my spies tell me that had he navigated the total course, like he did the "Tee Trees" he would have bolted in. However misfortune struck once again with a landslide of boulders crossing his path and he had to withdraw, with the canoe in two pieces! Bad luck, Pres.; but we all know your value as a Captain.

SOCIAL

To all Supporter and Players who have had the misfortune to miss the very successful social evenings put on by Gary Maskiell and his fund raising committee of late, here is a "WARNING." DON'T MISS TUESDAY, 12th AUGUST AT THE SOUTH PERTH CIVIC CENTRE FOR OUR CHICKEN AND CHAMPAGNE BALL. Tickets are selling fast and remember there will be no door sales. Price is \$15 per double, everything provided.

LAPLAI

THE HAWKS WILL STRIVE IN '75

With 3 games before the finals, the position with our teams is that the Seconds will be playing in the First Semi-Final and the League in the Second Semi-Final. This position resulted after last week's games in which the Seconds put up a disappointing display against Kelmscott.

With a Second Semi-Final appearance assured to the winner the application applied to the game must have been very disheartening to Norm and so the players must now show our supporters that they are truly worthy of a tilt at the premiership with resounding wins in the remaining games.

The League side started well, but then a lapse in concentration saw us six goals down just before half time. As in previous matches where this position has occurred, the players responded to the challenge after half time and although 3 goals down at three quarter time in the last term scored 7 goals 4 points to 1 point.

QUOTE OF THE WEEK!

"Supporters should get medals for coming along and seeing the League side making up huge leeways and struggle over the line."

SOCIAL FUNCTIONS

Only one! That is the Gosnells Ball on the 22nd August so see Keith Davis, Kevin Pollock or Frank Sochacki and make up your party now.

The Club started its session of Bingo at the Civic Centre last Thursday and it was pleasing to see the amount of helpers who turned up, but we still need a few more to start a roster.

Today we are host to Kalamunda and an invitation is extended to their players and supporters to enjoy the function after the game.

JUNIOR NOTES

The Under-14's have a visit from a Geraldton team this weekend and all are invited to be at the game at 10.00 a.m. Sunday.

Congratulations to the following boys who notched their 50 games up in recent weeks— BRETT SANDS, NEIL HOWDEN, COLIN LIEPOLD, RODNEY ELLARD, DEAN ALLEN, IAN NAPIER and GLEN PRICE.

"THE OWL"

"IN THE LIONS LAIR"

"9 IN A ROW — 3 TO GO"

The Lions are still on their rampage after another good win against the unfortunate "Wicks." The game itself was not a spectacle, but nevertheless the win was vital to Thornlie's quest for a position in the four. The weather was not the best, in fact, more goals were scored against the breeze than with it.

Thornlie's first quarter was pathetic, kicking only 2 goals with the wind, but it was their second quarter into it that won them the game. The third quarter turned out to be a scramble with neither team taking an advantage. Although Kenwick tried in the last quarter, Thornlie were just too strong in defence and held them out to win comfortably.

BEST PLAYERS:

CLINTON FARMER FRED SEINOR
GREG JEWELL KEN TYLOR
REX LOVIS RAY DALTON

The Reserves, unfortunately were beaten easily by Kenwick and it just about finishes their hopes of getting in the four. It was good to see Brian Buzzard back having a run with the Reserves and it won't be long before he makes League.

BEST PLAYERS:

VICKERS
BUZZARD
PAYNE

Today Thornlie travel to Kwinana for what could be our hardest encounter for the year. Kwinana have been flying high of late, but it could be the Ferocious Lions who bring them down to half-mast.

Remember: When the Lion bears teeth, He isn't laughing.

WICK'S WEEKLY

A convincing win in the Reserves and a loss in the League game. That was how last week's games against Thornlie resulted.

The Reserves played a very systematic brand of football and completely out-classed the opposition. It now appears that we have regained our early season form and that all players will be geared in the right frame of mind when the finals come round.

BEST PLAYERS in the Reserves were Alan Beattie who put in a very good game. Wayne Robins, Ray Shepherd and Brian O'Donnell also played very strongly.

The League side had a chance of sewing up the game in the second quarter after they had held Thornlie in the first quarter. However they failed to use the wind to advantage and Thornlie held a half time lead of fourteen points.

The second half followed the same pattern as did the first and as a result Thornlie ran out winners by over four goals.

Kenwick proved again that they have talent equal to any other club in the competition, but fail to combine together when the harder matches arrive.

BEST PLAYERS in the League side were Ken Staines on the ball, John Hart at full back and Gary Holbrook and Doug Backhouse also battled hard all day.

This week we play the improved Canning side and it is hoped that two wins result for the Royals.

Congratulations to Wayne Robins and Wendy Bell who announced their engagement last week.

SOCIAL: Don't forget the Ball next Friday night (8-8-75.) Everyone should attend this event as it is the big one of the year.

TIGER RAG

In another close game Canning were defeated by the much improved Mandurah side. The Reserves gave Mandurah too much of a head start and in the end could not gain the lead.

The League after playing football the first three quarters appeared to get up and allow Mandurah to regain the lead and take the honours. This downfall in the last quarter may have been due to the run of injuries, namely Peter Alers, John Hurley, Brian Mangini and Timmy Johnson, throughout the game.

Allan Wheelock played brilliantly all day and deserves a special mention. Also playing tigerishly was Grahme Dugmore in the back pocket and later on the ball. John Vlahov continued in his top form and Grahme McGeady also played with determination and dedication. Other good players were Peter Kimberley, Billy Archibald and Greg Green who seems to have returned to form.

The Reserves did not look themselves and appeared not to want to win. Although Mandurah had improved from our previous encounter, there was no need to let them prove it.

Players to play exceptionally well were Tom Burford in the ruck, new-comer Trevor Rees, fullback Ken Jacobs and rover Gordon Hunter. Other good players were Norm Docking, Tony Johnson and Daryl Mann.

This season we have only won three games, so therefore the remaining three will make our points look a lot better and bring some honour back into the club if all players can dedicate themselves and play the type of football expected of them.

BULLDOGS BULLETIN

Today we make our longest journey of the season to play against Mandurah. A big victory is needed by our League side to enable us to stay in touch with the four. The players realise we must WIN all remaining games, so come on fellas, the ball's in your court.

The League game against Gosnells last Sunday was a heartstopper to say the least. Kelmscott started the game in great style, playing good team football they seemed unbeatable and at half time led by 29 points.

After the long interval, Gosnells came back and slowly pegged back the lead to eventually run out winners by 28 points.

BEST PLAYERS:

ERIC BUCKINGHAM
WARREN STEWARD
KIM TURNER
ANDY McINTOSH

The Reserves again won their game by convincingly beating Gosnells. This win was a great morale booster to the players as we were level on premiership points with this side.

The game was of a high standard throughout with Kelmscott having too much class for their bigger opponents. Peter Edwards is justly proud of his charges.

BEST PLAYERS:

MORT HANSEN (won many kicks in the centre)
STEVEN EDWARDS (enjoyed his first game with the Reserves)
BARRY WARDLOW (good game in the ruck)

KALAMUNDA
KOUGARS

The game against Maddington last week was encouraging, though the scores did not indicate this. Our players applied themselves with dedication all over the ground, but were unable to capitalise around the goal area. For four quarters there was no let up, in fact, Maddington only scored six goals to our two in the last half.

Best Players:

GLENN PAUL. Tenacious at all times, had the will to win the ball, and easily outplayed his opponent in the centre position.

Closely following Glens effort was one of the best performances given this season by **PHILIP CRIBB.** Although opposed to a crack full forward, he never let up, and repulsed attack after attack. Although hitting the steel post early in the first quarter, his was a courageous effort.

GEOFF BROWN again turned in his casual but great effort.

Seconds players to perform well were **Peter Duckett, Don D'Antoine** and **Brian Wilson.**

We are sorry to learn that Trevor Netherway will be entering hospital next week and will be convalescing for about eight weeks. Best of luck to Trevor from all in the club.

DEMONS DIGEST

'COME ALIVE - IN 75!'

Today we travel to Maddington F.C., home of the "Bulls". Let's make sure we are not the "Silly Old Moos," as Alf would say.

Last week at home to Kwinana, both teams lost, but not without putting up their best fighting performance of the season. It seems that the Demons have a too high a flashpoint before igniting into fire. Without being facetious, water (rain) is the lowest flashpoint for the Demons, for this is what seems to light their fire.

The Reserves performance was a good all round team effort, in a game that kept all of us on our toes. Every player did his bit, and picking the best was extremely difficult.

Frank Wood's return to the side provided one of the best performances. "Bluey" Brown's week-old marriage worked wonders for him, and Philip Guelfi's effort was one of sheer persistence. Colin Towers continued his brilliant display of high marking, and Steve "Fish" Heron was again in good form in the half-back line. In all, a heartening performance for all, keep it up fellas!

The League side, without three regular players, had to field three players from the Reserve game, Colin Towers, Frank Wood and "Robo." All three did made his debut for the League side in their part well.

Young Richard "Tracker" Sheppard this game, and acquitted himself admirably. Richard is one of several under-18 players in the Club who will be forcing other players on the bench next year.

In this match, in atrociously wet conditions, Kwinana's better stamina saw them through in the end.

Alby Gray's return to League football was excellent for all four quarters, Brian "Killer" Davey proved that he should have started the season on the wing, Ken Thorn was all guts, and "Scotty" pushed himself all day. Players like Doug Butler, "Griffo" and John Erceg don't often do spectacular things, but are consistently reliable. Once again a heartening performance by all.

The Under-18s last week came back again into the credit side, by beating Gosnells, away. So from now on fellas, stop swelling the breweries profits, and go for that flag in no uncertain fashion.

A comment on our bad slack-off in training, and after-match social attendance. This season is almost finished, and old habits die hard, but next season there will be "Winds of Change" blowing through this Club, and "Dead Leaves" will be blown away.

PEEGEE

THE KNIGHTS' NOTES

Congratulations to both sides on gaining our first double for some time. A repeat of the same would be very nice today.

The conditions for football were atrocious and this showed especially in the standard we displayed in the first half of the league game. Our players appeared to lack confidence and quite frankly weren't playing with a great deal of heart.

However the second half, when conditions were even worse, saw our players apply themselves with a will to completely dominate play. They realised the necessity for desperate play in the circumstances and this soon became evident. Players were prepared to back up and fight for the ball on ground.

BEST PLAYERS

JOHN LEGENA — loves the rain.

FRANK LEGENA — conditions of no consequence.

RON CAPORN and MURRAY LLOYD — tenacious rovers.

GEOFF GROENENBERG — strong marking.

ROD ELMER — dominant in last half.

PLAYER OF THE WEEK

In almost every team there is a player who is inconspicuous yet very effective in the way in which he applies himself to his football. Alan Dragget certainly fits into this category for Kwinana.

He is certainly a very valuable member of the side and the support he has given Big Don in the ruck this year has been remarkable. Alan has been prepared to work hard on the ball for long periods enabling Don to save himself for a last quarter burst knowing that he has a very reliable deputy to fill in for him.

Six words from Alan is a long speech but his deeds on the field certainly speak for him. A tremendous turn of speed coupled with great determination enables Alan to make many clearing dashes from the back pocket to many of the better known rucks in the league have certainly come to respect him for his work on the ball.

The Reserves team registered one of their few victories for some time and this was a much improved effort. Well done, lads.

BEST PLAYERS: Sandy Muir, Paul Frost, Mick McKenzie and Drew Proctor.

Today we play Thornlie who have been burning over the past few weeks. A win would see us poised to tackle Maddington for second spot next week. So let's see everyone go onto the field today with the determination to beat the Lions and set ourselves for that second semi-final.
